### **Field of Dreams 2026 – Information for Parents and Guardians**

**Field of Dreams** is a summer youth project run by the Catholic Parish of **Our Lady and All Saints, Basildon**.

To take part in Field of Dreams 2026, children must either **live within the parish boundaries** (Basildon, Pitsea, and Laindon) or **attend one of the parish-linked schools**.

Field of Dreams is delivered by a dedicated team of **volunteer leaders**, supported by the **Field of Dreams Committee**, the **Parish Youth Coordinator, Ben Heywood**, and the **Parish Priest**. Our leaders have a wide range of experience in youth work and pastoral care. All volunteers receive appropriate training, and all leaders aged 18+ hold an **enhanced DBS check**. A number of leaders are **qualified First Aiders**. Where specialist activities or equipment are used, sessions will only be led by individuals with the appropriate qualifications and experience.

Our aim is to provide a **safe, welcoming, and enjoyable environment** where young people can have fun, build confidence, make friends, and try new activities. Alongside on-site sessions, **Field of Dreams 2026 may include trips out and visits from specialist activity providers**, which will always be carefully risk assessed and supervised.

For Field of Dreams to run safely and successfully, we ask parents and guardians to note the following:

- **All forms must be completed fully and accurately.** In the event of an emergency, we rely entirely on the information provided. Please include full details of any medical conditions, allergies, dietary requirements, or medication that your child may require while attending Field of Dreams.
- **Good behaviour is expected at all times.** Participants must follow instructions given by leaders. Any behaviour that puts the child or others at risk will be addressed immediately. If necessary, parents or guardians will be contacted and the child may be asked to leave. While we do not expect this to happen, we reserve the right to take this action to ensure everyone's safety.
- **Places are allocated on a first come, first served basis.** Forms must be signed by a parent or guardian to be accepted.
- **Parents and guardians are responsible for arrival and collection arrangements.** Children should arrive on time to benefit fully from each session and must be collected promptly at the end of the day, out of consideration for our volunteer leaders.

We hope Field of Dreams 2026 will be a positive and memorable experience for all who take part, and we look forward to another fantastic summer of fun, friendship, and faith.

*"Field of Dreams" costs just £30 for the five days of activities, to make it accessible to all. The true cost is £90 and the difference has been made up by generous donations and funding. Any extra donations are greatly appreciated.*
